

Changing the Way We Think About Housing

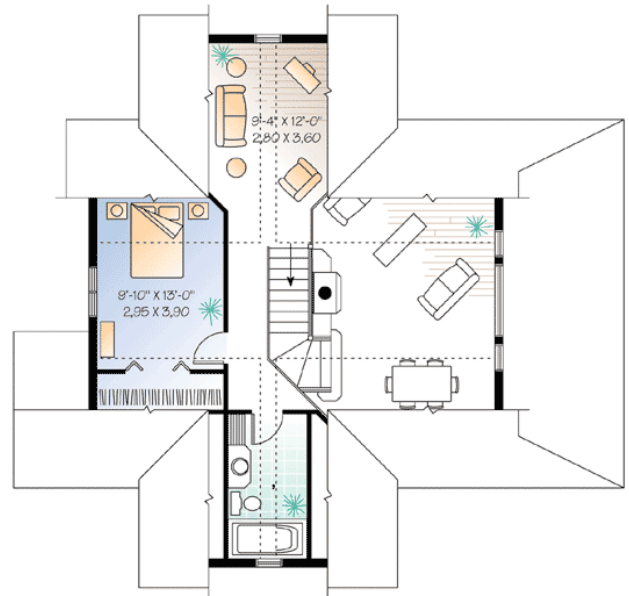

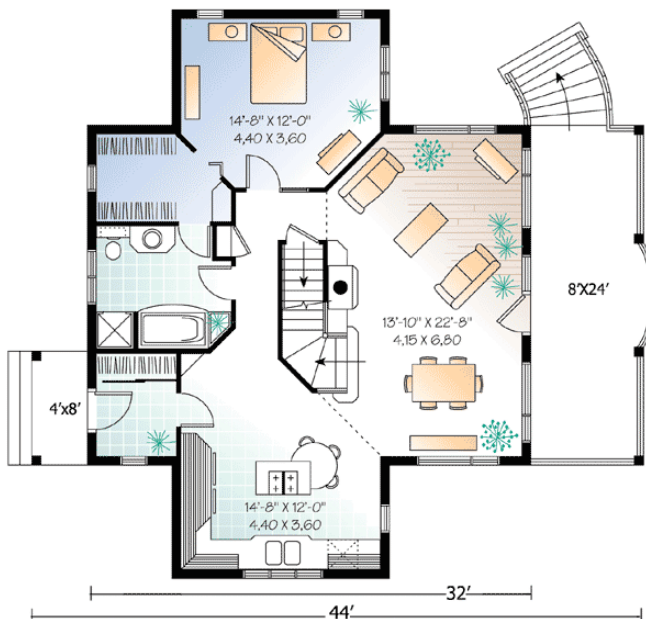

Build a House You Can Own instead of One That Owns You

1,480 sf - 2 Bedrooms - 2 Baths - MB on 1st Floor - Covered Porch

A new home can be the beginning of an adventure that sets the stage for years to come. At AmeriSus we make the process easy, affordable and a reality for nearly anyone.

Our eco-cottage models start at pricing that's unmatched.

- If you are a builder, call us to learn how we can help you increase revenue, profit and customer satisfaction.
- If you are a prospective homeowner, call us to learn how a new eco-home can be a near-term reality.
- If you are saving for a new home, check out our [Social Impact Income Fund](#) as a way to earn 10% APR.
- If you are involved in creating affordable housing, call us to learn why AmeriSus is the single best approach.
